

## Abbreviations of titles

The abbreviations listed here appear in Henry Hardy's original bibliography (see PDF), and many also appear in The IB Catalogue on the Isaiah Berlin Online website.

All books (listed here with date of first publication and publication details of current editions) are by IB unless otherwise indicated; abbreviations for subsequent editions add the relevant arabic numeral, so that, e.g., RT2 is the 2nd edition of RT; page references are given by plain number, followed after an oblique stroke by the note number if relevant (e.g. AC2 138/1 = *Against the Current*, 2nd ed., p. 138, note 1).

The PDF is posted by the Isaiah Berlin Legacy Fellow at Wolfson College, with the support of the Trustees of the Isaiah Berlin Literary Trust.
